

Be a Part of History

Buy a brick, engraved with your custom message, and join us in celebrating the 250th anniversary of Pittsburgh's oldest authenticated building – the Fort Pitt Block House. Each brick sold through this program will be placed in the garden, along the walkways and entrance to the historic Fort Pitt Block House.

Participation in this project offers you a unique opportunity to become a permanent part of history by placing your family name, message or remembrance on the grounds of the Block House, part of the National Historic Landmark of the Forks of the Ohio. Best of all, your brick will help fund the ongoing costs to maintain and protect the Fort Pitt Block House and support our educational programming, helping ensure that future generations understand and appreciate the important role our region played in early American history.

Here's how:

- Choose either a 4"x 8" brick (3 lines of 20 spaces) at \$100 each or a 8"x 8" brick (6 lines of 20 spaces) at \$250 each;
- Determine your message;
- Decide if you want to add a replica tile to your order for only \$20.00 to have as a keepsake or give as a gift;
- Place your order by filling out the form and submitting it electronically, on site at the Block House or through the mail;
- It is that easy, you are now a part of history!

All orders received by March 15, 2014 will be installed and unveiled at the Block House 250 garden dedication ceremony planned for April, 2014. Brick orders received after March 15 will be installed periodically, and you will be notified when your brick is placed in the garden at the Fort Pitt Block House.
